Accountancy

Have autonomy

You are an Accountant in the making but getting your first role is a lot harder than you think.

Why wait to land a job when you can have your own clients.

Your options:

- Be an Associate with Harris Associates*
- Have clients to bring to a firm to be a valued mentee

*UK based Associates only

The world is Yours

After your mentorship Associates can choose to be certified to run their own firm.

As a mentee you'll learn how to onboard clients to be valuable when approaching Mentors,

Either option you win.
